

Additive Industry X Experience

Experience our Immersive Room and Benefit
from Additive Manufacturing Potential

 accenture

Additive Industry X Experience at IX Turin Innovation Center is the **Accenture Additive Manufacturing (AM) headquarter**.

We co-create **innovation for industries** in a dedicated immersive room, leverage on Additive Manufacturing benefits and strong relationship with **AM ecosystems**.

Additive Manufacturing for your business

Additive Manufacturing is a new, high-potential approach to design and manufacturing that can improve product performance, decrease time-to-market, reduce costs and lead times, and enhance sustainability.

Accenture can help you make it happen

We can help you carry out an in depth **feasibility** study to identify the **best AM solutions for your business** and rapidly **scale** them. Accenture's broad engineering capabilities can support you in adopting **design for additive**, and in implementing new manufacturing, testing, and qualification processes.

Key application for AM identification

Scalability & new operating model

Design & engineering services

Innovation & digital transformation

Global ecosystem governance

About Accenture

Accenture is a leading global professional services company that helps the world's leading businesses, governments and other organizations build their digital core, optimize their operations, accelerate revenue growth and enhance citizen services—creating tangible value at speed and scale. We are a talent and innovation led company with 738,000 people serving clients in more than 120 countries. Technology is at the core of change today, and we are one of the world's leaders in helping drive that change, with strong ecosystem relationships. We combine our strength in technology with unmatched industry experience, functional expertise and global delivery capability. We are uniquely able to deliver tangible outcomes because of our broad range of services, solutions and assets across Strategy & Consulting, Technology, Operations, Industry X and Accenture Song. These capabilities, together with our culture of shared success and commitment to creating 360° value, enable us to help our clients succeed and build trusted, lasting relationships. We measure our success by the 360° value we create for our clients, each other, our shareholders, partners and communities.
